

MONTE CARLO BLACKJACK RULES

- Payout is 1:1 for a regular hand and 2:1 for Blackjack
- All bets must be placed before any cards are dealt
- Order of deal:
 - ~ 1 to each player, face up
 - ~ 1 to dealer, face down
 - ~ 1 to each player, face up
 - ~ 1 to the dealer, face up
- Split – two of a kind can be split into two hands but the bet must be doubled and the hands played separately (one hand at a time)
- Double – players may double if card total is 11 or under (in the first two cards)
 - must double the bet – only receives one more card
- Dealer must:
 - ~ Take a card on 16
 - ~ Stand on 17
- If the dealer is showing an Ace or a ten value card, the Ace becomes 11, the dealer wins and the hand is over (Blackjack)
 - ~ Push – no loss
 - ~ Bust – over 21 (for dealer or player)
